

ACTIVITY - ADVISORY NOTICES

Why: This activity is an easy and effective way to spread awareness of key driver issues and remind drivers to adhere to their licence conditions.

HOW TO RUN THIS ACTIVITY

Put advisory notices on the windscreens of student and staff cars at school to raise awareness of key road safety issues. These advisory notices include information about the potential consequences and tips for how to do the right thing.

IDEAS OR THINGS TO CONSIDER

- You can download the advisory notices template from the SADD website or design your own
