Current Available Resources:

The SADD website has lots of inspiration and links to help you come up with a debate topic
Conversation cards can be ordered from National Office that have discussion questions on them.

Notes:

- Don't be afraid to ask for help! If you really want to do this but have never run up a debate your English teacher should be more than happy to lead a helping hand.
- Plan ahead. Get everything organised well beforehand including getting permission, securing a venue and finding participants
- Promote the activity around your school that it is on and have a chance to get involved.
